## SBS Proof Viewing Cabinets

VeriVide Side By Side Proof Viewing Cabinets (SBS) were created in collaboration with PIRA and in accordance with British and International standards, BS 950: Part 2 – viewing conditions for the Graphic Arts industry. Also to ISO 3664 standards – viewing conditions for Graphic Technology and Photography. The exclusive SBS can be used with two different sizes of VeriVide Transparency Viewers, the VTV 1812 or VTV 1824. Both models include nylon fibre 'gentlegrip' at the edge of the screen to hold transparencies firmly without damage.

To optimise consistency of viewing conditions the unit comprises of a unique VeriVide control panel, with optional dimming feature, a specially selected white reflector and electronic ballasts. A unique feature is our neutral grey concave viewing deck that eliminates specular reflection, allowing accurate colour and quality control. Proof sheets can be held in place on the curved metal deck using magnets provided.

SBS Proof Viewing Cabinets

The SBS cabinet features dual light sources, for viewing transparencies and their reproductions, both incorporating a D50 light source with a high Colour Rendering Index (C.R.I.). Some applications for viewing may require additional light sources, for example a Point of Sale illuminant, TL84. For more information please contact our Sales Department or E-Mail [enquiries@verivide.com](mailto:enquiries@verivide.com).

cabinets DATA

Below is an illustration of a typical product order code for a Proof Viewing Cabinet (SBS). To create your own product order code, simply fill in the blue boxes in [Table 1](#) by following the quick step-by-step guide below, or visit [www.verivide.com](http://www.verivide.com) where the process is fully automated within the product catalogue section.

**Typical Product Order Code**

Style	Size	Light Source 1	Light Source 2	Light Source 3	Interior Colour	Voltage
SBS	150 - 1	D50	-	-	G5574	230v

**Table 1 – Your Product Order Code**

Style	Size	Light Source 1	Light Source 2	Light Source 3	Interior Colour	Voltage
SBS		D50				

1. Select the cabinet [Size](#) you require from the table below, and specify in [Table 1](#).

Size (dimensions in mm)		Width	Height	Depth
150-2	Overall	1560	1085	620
	Usable Deck	855	985	
	Transparency Screen (VTV1824)	610	430	
150-1	Overall	1560	1085	620
	Usable Deck	1160	985	
	Transparency Screen (VTV1812)	305	430	
120-2	Overall	1290	1085	620
	Usable Deck	585	985	
	Transparency Screen (VTV1824)	610	430	
120-1	Overall	1290	1085	620
	Usable Deck	890	985	
	Transparency Screen (VTV1812)	305	430	
90-1	Overall	900	1085	620
	Usable Deck	500	985	
	Transparency Screen (VTV1812)	305	430	

2. All cabinets are supplied in a “Hammer Finish” grey but can also be supplied in a “Light Texture” grey, if required please add “[LG](#)” to [Table 1](#) beside the cabinet size chosen e.g. 150-1/LG

3. All cabinets are supplied complete with D50 lamps. If you have your own [Light Source](#) requirements or would like an additional light source to the typical selection given, please specify. Should you require any assistance with your selection, please refer to the Data Sheet/pdf - Lamp Options.

4. If the standard or application you are working to requires a variable intensity of light, a [Dimmable](#) option is offered. If required, please add “[D](#)” to [Table 1](#) beside the relevant Light Source, e.g. D50/D.

5. In order to view your samples objectively without the influence of surround or background colours, the [Interior](#) of the cabinets are finished in a neutral matt grey. All cabinets are normally supplied with the interior grey reference G5574, but can be supplied with an alternative Munsell N5 or N7. Please specify in [Table 1](#)

Interior Colour	Grey: G5574	Munsell Grey N5	Munsell Grey N7

6. Please select the [Voltage](#) you require for your cabinet by specifying it in [Table 1](#).

Voltage	230v	110v

VeriVide offers a range of Accessories and Optional items. To see which accessories are available with the SBS range, please refer to [Table 2](#) and Data Sheet/pdf – Accessories for more information.
