

Register your VeriVide product

Thank you for purchasing an authentic VeriVide product. At VeriVide we encourage all end consumers to register their products with us directly. Registration is quick, free and easy, with multiple benefits for you. By registering your equipment with VeriVide Ltd, whether or not you have purchased from us direct, you will be able to...

- Be part of a global VeriVide customer support mechanism.
- Be able to communicate with us regarding ways in which we can improve the performance of our products to meet your specifications.
- Enable us to inform you of any new development in products and services.
- Improve the lead time for obtaining parts for servicing items such as new lamps.

Your products can be registered by completing and submitting the form on our website, www.verivide.com, or by filling in the form overleaf. You can either print out, scan and send the completed form, or use the editable text fields and send the completed document via email. You will need to register each product individually.

Reference details can be found on a rectangular silver label located inside the canopy (in the top left hand corner) or on the back of the product.

Please note: In the unlikely event of a fault occurring, your warranty is held with the Company/Distributor through which you purchased your equipment.
